Zenz

Who is Zenz?

Zenz is the nickname for the old German woman's name Kreszentia, and to us it represents all the grandmothers, aunts, mothers, and many other women who cook our favorite foods with dedication, care and knowledge – who know their craft and love to pamper us with the fruits of their labor. People who care for us and make us feel at home. Food for body and soul in its original meaning.

That is also the style and aspiration of our kitchen in the *Zenz* Wirtshaus: honest and well-done, using regional products from local producers, carefully selected and sustainably grown – that's what *Zenz* stands for.

And since our *Zenz* doesn't believe that everything used to be better, she still

has the passion to try new things. Thank goodness, because otherwise we would have to do without her modern twist on tavern food!

Her range of draft and bottled beers is just as flavorful and varied as her dishes. Carefully selected for flavor and variety, and produced by national and international brew masters, we use them in our dishes, mixed drinks or simply as the perfect liquid companion to our food.

But whether we're talking about beer or favorite foods – in all the things *Zenz* does, the most important thing to her is to bring a piece of real tavern culture to Mainz, to create a space to get together with friends that feels like home, where you always know you'll enjoy your time.

Your Zenz and her team

The perfect match
for every craving ...
